Thanks: just double checking on adding Jag to Monday's invite as well?

Comments are in the shared version. I looked through my emails and docs, doesn't look like I further updated the June version or sent to Greg and Jag – sorry for dropping the ball on that one. I would include the version you provided.

Thanks!

Hi Darcy: here is our draft document for your review for our meeting with Greg on Monday. So far, you, Bert, Sarah, myself, Valois, and Lucita are on the invite. Should I ask Karen M to include Jag as well?

Note: the second attachment within this document is a 6/28/20 version of the Class III burden analysis. Could you let us know if you have something more recent to include?

Thanks,

Douglas
